

Leading through mentorship

Ask any educator and they'll say you learn as much from your students as they do from you.

I've spent my time outside of my UX work teaching and mentoring future UX designers at General Assembly and Parsons. It's my way of giving back to the world that's given me so much.

Some of my students and me

At GA I managed 42 teams over 18 months in 2 hemispheres

For three weeks at a time with sometimes nothing more than an idea, I managed eight teams on six separate occasions to produce designs and user research for a variety of clients.

In NYC and Singapore I launched the careers of 150+ UX designers and more than 40 companies walk away happy customers.
